

PAUG Newsletter #3

17th December, 2004

Hi everyone

1. MAINTENANCE

The airfield is looking good at the moment with a good crop of grass still remaining. I am keeping the grass longer to try to stop it burning off but inevitably with use over the summer period it will deteriorate. The plan to irrigate the airfield with water from the proposed new sewerage treatment system is still being discussed and I think it will be great if this comes to fruition. What are your thoughts on this?

2. FUNDING

For those who have not yet joined up, please consider joining the PAUG for the small annual fee of \$40.00. New members will receive a PAUG card valid to 31st December, 2005 and I will publish and maintain a list of discounts and benefits to members on the web site. Fill out the form at <http://airfield.pauanuibeach.com/usergroup.html> and I will send you a card with an invoice for \$40.00.

Also, PLEASE ENCOURAGE OTHERS to join up, or at least subscribe to the newsletter.

3. EVENTS

The labour weekend "Vision Pauanui" static display attracted significant numbers of people. I talked to many people interested in the future of the airfield. The TCDC is committed to maintaining the airfield here in Pauanui ☺.

The fly in at Pauanui on 2nd January, 2005 seems to have gained a lot of support. I have no idea how many will turn up but if the weather is good I think we will have a big day. Please let me know if you are coming and how many people and aircraft you are associated with. I need to get some indication to organise catering and for planning aircraft parking. Pass the word to all your friends and colleagues and have them fly in on Saturday 1st for a great day flying on Sunday. I hope to have the Warbirds here as well and finish the day with a BBQ and live music in a marquee by the Flight Office.

See <http://airfield.pauanuibeach.com/events.html>

4. FEEDBACK

As always, if you have any comments, complaints or suggestions I would appreciate an email at bryan@pauanuibeach.com or fill out the form at <http://airfield.pauanuibeach.com/feedback.html>.

Have a wonderful Christmas and New Year and enjoy a summer of safe flying . . .
